Hey Palmer,  
If you have any questions or need anything else please let me know. Thanks - Tami

### Tribal Consultation Talking Points:

14 tribal governments have requested consultation (R10 offered to 31 tribal governments - all in the Bristol Bay region were invited)  
(Levelock, Newhalen, New Stuyahok, Clark's Point, Ekwok, Curyung, Pedro Bay, Nondalton, Portage Creek, Ugashik, Pilot Point, Togiak, Naknek, Iliamna)

Consultation will be held at the following points:

- Draft Outline
- Draft Document
- Final Document
- prior to EPA making a decision

R10 will be working with the tribal governments on this effort, including the planning of when and where tribal consultation meetings will be held. The next consultation effort will occur this fall.

R10 is also consulting with Alaska Native Corporations, on request by the Native Corporation.

EPA has received requests for consultation from several Alaska Native Corporations (Bristol Bay Native Corporation, Iliamna Development Corporation, and Alaska Peninsula Corporation). EPA has met with a number of corporations and has agreed to continue meeting with them to share information and hear concerns.

FYI - 8 tribal governments have selected representatives to serve on the IGTT - Curyung, Levelock, Nondalton, Ekwok, Koliganek, Newhalen, South Naknek, and Iliamna.

Rick/Sheila/Jeff/Rachel:

Attached is the revised BB executive briefing reflecting changes that we discussed during today's call. Our briefing with the executives is currently set for Tuesday July 12 from 1-3 PM ET.

Please share this powerpoint with others in your offices and let me know if you have additional changes by July 6. I will be out of the office from June 29 thru July 5 (but will be checking email and could do a call during that time if necessary). If we need to have another discussion we can set something up.

Thanks, Palmer
